

This is to the world's most beautiful girl that I've ever laid my eyes upon. You caught my heart and soul the very day I met you, I loved everything from your feistiness to your laughter, to your cute little giggle and the best of all the way you smiled at me when I was talking. You've seen a lot of obstacles in your life which you shared with me and, boy was I surprised to know that a girl

*that small could have a heart to
overcome disappointments,
failures, broken trust etc. You
showed me that in the world of
misery one can move on with
smiles and prayers.*

*I love you because you care for
others more than you care for
yourself. Normally you wouldn't
run, but when we go on dates
and you'd see a person in
need, you'd run after them to
make sure that they don't sleep
without food in their belly. You
emphasize not just with people,
but with animals too and wow
don't even get me started on
that!*

*I love the energy that I get from
you when I'm around you. No*

*matter what I do or say, you will
always listen to me without
losing focus, and that shine in
your beautiful eyes always gets
to me. Hey, you can't blame
me... I'd lose myself in those
eyes that sparkler endless love
for me.*

*I love how our favorite hobby is
talking about and eating A LOT
of food. Never knew girl that
small could eat, and boyyyyyy
was I surprised! But hey,
another reason why i fell in
love with you! First ever time I
we went on a date, I ate from
your plate and drank from your
glass and you gave me these
worst looks for touching your
food LOL! And I can't believe
you actually said, ' USE YOUR
OWN THINGS THEN!'. 5 years*

*down the line, things are still
the same!*

*I love the way you look after
me in everyway possible.
Normally, you'd be the one
doing all the talking, but as
soon as you sense distress
from me you'd put everything
on hold to know if I'm doing
okay.*

*Most of all, I love how you have
supported me through every
thick and thin, through every
high and lows you've been my
back bone. You could have had
many but you chose me, when I
had nothing, you motivated me
and pushed me towards my
dreams on the days I thought I
can't achieve them and you've*

*always been there to console
me when I had no one to turn
around to. You've made these
5 years most beautiful in my life
and I promise you that I'll do
everything I can to keep a
smile on your beautiful face. I
love you so much, happy
Valentines day xo*
