

It is late and I am cold,

*Nothings changed except for
the snow, I've been waiting for
an answer,*

Hoping I could call your bluff,

*I've been giving you second
chances,*

*Thinking maybe I gave too
much.*

What you want from me,

*Is not something I could give
for free,*

And all I know in this life,

Is you cant stop breathing.

What ever it takes,

*Just tell me you'll stay with me
forever.*

*Dont turn away, just tell me
you'll stay,*

because when we're together,

*I see stars above the
headlights,*

And they don't seem so far

away.

Whatever it takes,

Just tell me you'll stay,

Whatever it takes,

Whatever it takes.

I am ashamed and you are lost,

*We both ache for things that
we haven't got.*

I was praying you'd find me,

*Teach me something I didn't
know,*

I was praying you'd find me,

Praying you'd guide me home.

What you want from me,

*Is not something I could give
you for free,*

*And all that I know in this life is
you cant stop breathing.*

What ever it takes,

*Just tell me you'll stay with me
forever.*

*Dont turn away, just tell me
you'll stay,*

because when we're together,

*I see stars above the
headlights,*

*And they don't seem so far
away.*

Whatever it takes,

Just tell me you'll stay,

Whatever it takes,

Whatever it takes.

I'm afraid of things I don't know,

*And I miss your face whenever
your gone.*

Whatever it takes please,

Just tell me you'll stay.
