name-a-rose

My dearest darling Sister how can I find the words to say – To tell of how I miss you throughout each and every day. I'll miss our little chats the way you'd listened to me moan – And how you'd always cheer me up whenever you would phone. Living life without you is so, very hard to bear – And I'd give all I have to waken you and see you standing there. x x x x x x
