

*The universe is here for us all,  
why do we spoil it, and make it  
small.*

*It's been around for billions of  
years, yet here are we intent to  
reduce it by ears and  
destruction.*

*Let it grow and grow with the  
beauty that we can sow, don't  
take away our children and  
granchildrens future, they need*
